**A REVIEW OF GENERAL LIABILITY COVERAGE**

Commercial General Liability insurance provides coverage for claims of bodily injury or property damage made against the insured for which they become legally liable. The insurance company will pay on behalf of USA Volleyball and other named insureds, claims which the Insureds shall become “legally” obligated to pay as damages because of bodily injury or property damage to which the insurance applies, caused by an occurrence during the policy period, up to the policy limit.

The General Liability policy for USA Volleyball is an “occurrence” policy. A claim under this policy shall be considered as being first made at the earliest of the following times:

- (a) When USA Volleyball first notifies the Insurance Company in writing that a claim has been made; or
- (b) When USA Volleyball first notifies the Company in writing that a suit has been brought; or
- (c) When USA Volleyball first notifies the Company in writing of specific circumstances, which may result in a claim being made or suit being brought.

All claims for damages because of bodily injury to the same person, including damages claimed by any person or organization for care, loss of service, or death resulting at any time from the bodily injury, will be deemed to have been made at the time the first of those claims is made.

All claims for damages because of property damage causing loss to the same person or organization as a result of an occurrence will be deemed to have been made at the time of the first of those claims is made.

## **SPORT ACCIDENT EXCESS MEDICAL INSURANCE COVERAGE**

The Sport Accident Excess Medical insurance program provides participant coverage for loss resulting directly from members competing in an approved or sanctioned event. Coverage does not include loss from pre-existing conditions or competing in non-sanctioned events. The coverage extends from the start, through the completion of the event, including direct designated group travel to and from the event.

The Medical policy provides up to \$25,000 of excess accidental medical coverage for expenses incurred within one year of the date of the accident. Written proof of loss by the Insured is required within 90 days or as soon as is reasonably possible. Proof must, however, be furnished no later than 12 months from the time it is otherwise required, except in the absence of legal capacity. The policy provides coverage against loss in **excess** of coverage provided under other valid and collectible medical insurance and is subject to a \$250 per claim deductible. If no other collectible medical insurance is available, the loss is subject to a \$1,000 deductible.

If injury to the member athlete requires treatment by a legally qualified physician or confinement in a legally constituted hospital, or employment of a trained nurse, x-ray, or ambulance services, and if the first expense of such treatment is incurred within 90 days of the date of the accident, the insurance company will pay the usual and customary expense incurred up to \$25,000, subject to the appropriate deductible and any other collectible insurance.

**DEFINITION OF PARTICIPANT:** Registered athletes, coaches, trainers, volunteers, committee members, officials who are functioning on behalf of and/or while participating in any event sanctioned or approved by USA Volleyball.

**DEFINITION OF PARTICIPATING:** Participating includes pre-event and post event activities which are officially approved or sanctioned events. Pre-event activities can include but are not limited to clinics, event dinners and pre-event practicing. Post event activities can include but are not limited to award banquets, award ceremonies and clinics that occur within one day after the event.

## **ACKNOWLEDGEMENT WAIVER AND RELEASE FROM LIABILITY**

As with most sports activities, a signed "Acknowledgement Waiver and Release from Liability" (AWRL) form is required from all participants and from parents or guardians in the case of minors. This requirement exists in virtually every sport. It serves to document that the participants or parents of participating minors have acknowledged the inherent risk and danger associated with participating in sporting events. It is intended to serve as "appreciable warning" of these risks and the participants by signing the waiver, are giving their informed consent to the acceptance of those risks. It is important to remember that a signed waiver DOES NOT reduce the need for insurance or effective safety practices. A signed waiver is USAV's "first line of defense" against a cause of action for negligence and is a very effective risk management tool. The Regional Commissioner and others working under the direction of the Region must make every effort to conduct an event with safety as the number one concern.
